

# Nucleus Colonies For Sale

**AVAILABLE EARLY APRIL:** 5 frame Nucs in non-returnable cardboard boxes originating in central PA bounced to GA to harness the early honey flow, to be split down, & bounced back.

## **LOCAL 4 FRAME NUCS SPLIT FROM OUR OVERWINTERED STOCK**

Available after re-emergence of drones & all Summer long

**NUCS** with 2-3 **DEEP FRAMES** of solid brood  
Beeing nurtured by Nurse Bees, THEIR MAMA,  
And adequate food stores will simply XPLODE

Once installed in your equipment

Nucs cost \$190 each

Quantities of 10 or more \$175 each

## **Visit [911HONEY.COM](http://911HONEY.COM) for more info**

To reserve NUCS, need not any \$ now. Send your Vitals:  
Name, Phone #, email, and # of NUCS needed.

## **FREE MONTHLY WORKSHOPS – DATES TBA**

- Learn how to split your hives; lessening the swarming impulse, reducing your Varroa mite count without lessening your honey yield, and assisting in becoming a self-sustaining beekeeper
  - Held monthly, April - July, at 10am, Q&A encouraged
  - Informal workshops focus on The Bees Current Needs

**Tending a minimum of 2 colonies enhances  
beeing self-sustainable!**

**True to Bee Pollen Patties For Sale, with 8% Pollen From Our Hives**  
**\$4.00 per pound - Sold in Bulk 2lb, 3lb, or 5lb (Bags Included)**
